IN THE COURT OF CLAIMS OF OHIO

RYAN-JAMES FEW

Plaintiff

v.

OHIO DEPARTMENT OF PUBLIC
SAFETY

Defendant

Case No. 2025-00986JD

Magistrate Amber G. Damiani

ORDER OF THE MAGISTRATE

On February 5, 2026, plaintiff filed a motion for leave to file an amended complaint instant. However, neither plaintiff's motion for leave nor the proposed amended complaint included a valid certificate of service indicating that defendant was served in accordance with Civ.R. 5. Defendant did not respond.

On March 11, 2026, plaintiff filed a second motion for leave to file an amended complaint instant. This motion and its accompanying proposed amended complaint include valid certificates of service. Defendant did not respond.

Upon review, the court GRANTS plaintiff's March 11, 2026 motion for leave. See Civ.R. 15(A) ("The court shall freely give leave when justice so requires."). The attached amended complaint shall be deemed filed as of the date of this order, and it shall be plaintiff's operative pleading. As a result, plaintiff's February 5, 2026 motion for leave is DENIED as moot.

Also, it is well-settled that "[a]n amended complaint supplants the original complaint, so the allegations in an amended complaint supersede those in the original complaint." *DSS Servs., LLC v. Eitel's Towing, LLC*, 2019-Ohio-3158, ¶ 6 (10th Dist.). Therefore, defendant's January 16, 2026 motion to dismiss plaintiff's original complaint

Journalized

is DENIED as moot. Instead, defendant shall answer or otherwise respond to plaintiff's amended complaint in accordance with Civ.R. 15(A).
