MOTION FOR ABATEMENT

Now comes Defendant, Ryan James Few, in propria persona, and moves this Honorable Court to abate all proceedings in the above-captioned matters on the grounds that the indictments and charging instruments are defective and void for lack of proper jurisdiction and failure to state a claim upon which relief can be granted.

In support of this motion, Defendant relies upon the Ohio Rules of Criminal Procedure, the Ohio Constitution, and the U.S. Constitution, as well as relevant case law including, but not limited to, *Ex parte Milligan*, 71 U.S. 2 (1866) and *Norton v. Shelby County*, 118 U.S. 425 (1886), establishing that acts in violation of constitutional authority are null and void.

WHEREFORE, Defendant prays that this Court issue an order abating these proceedings and granting such other relief as is just and proper.

Respectfully submitted,

Ryan James Few
